Become a Berkey Fellow

The National Exchange Club Foundation invites you to become a Berkey Fellow. Taking advantage of this opportunity will place you among an elite group of individuals who have committed to the future of Exchange. You can join the Berkey Fellowship with a contribution of \$1,000 to the National Exchange Club Foundation and rise through its levels with further contributions. You may also honor an individual by donating \$1,000 to the Berkey Fellowship in his or her name.

Just as Charles Berkey founded Exchange for future generations, all contributions to the Berkey Fellowship become part of the Foundation Endowment Fund, a permanent bank of funds for the National Exchange Club Foundation. Your gift will be honored and protected in perpetuity as only interest earnings from the fund are used to support the programs of Exchange.

As a Berkey Fellow, you will be presented with a distinctive pin that symbolizes exclusive membership in this elite group of committed Exchange supporters. You will also be invited to attend the annual Berkey Fellowship Recognition Event, held during Exchange's National Convention.

By becoming a Berkey Fellow, you will be paying tribute to Mr. Berkey and join in his legacy. Berkey Fellows allow the Foundation to continue its efforts to build an endowment that supports our programs of service now and will provide a sound financial future for our organization.

Thank you!

It is your generosity that has become the backbone of our Foundation's ability to continue to grow and make a difference in the lives of children and communities.
